

IRVING AND CASSON - A. H. DAVENPORT CO.			
CUSTOMER LISTING			
Information on this list was taken from design drawings, photographs, and other images within the Irving and Casson -- A. H. Davenport collections. Additional customer names were found in sales journals. An "X" by a customer name indicates whether it was taken from an image, in the sales journals, or both. In some cases, there appear to be multiple spellings for the same name. When the correct spelling could not be determined, the alternate spellings are shown in brackets.
